## Background

I grew up in Dalarna and completed 2 years of vocational college studies.

Afterwards I travelled around and worked seasonally with bars, nightclubs, events, bar schools and similar. From 2009 until today I have worked as a self-employed consultant within web design / WordPress, brand development / branding, marketing, event, online commerce, art direction, graphic design, copywriting and advertisement design.

Since 2015 I have also worked with sales, bar commerce, E-commerce and order handling. I have studied bar competence with Behind Bar Academy and I have one year of hands on experience combined with a lifetime of general experience with bars, restaurants, nightclub bars, hotels and hospitality industry.

Since 2024 I have been working with The Entertainment District Malmborgen which incorporates famous restaurants, an entertainment venue, an English pub and a summer environment with bar, lounge and restaurant. I have worked with a combination of brand, marketing, digital marketing, social media management, management and administration, media production / generative AI, advanced copywriting and newsletter campaigns. I have also created Webpages and complete brands from scratch, such as Malmborgen Real Estate. In the future I see myself growing as a professional and/or businessperson within hospitality, tourism, luxury, entertainment, fashion, beauty, spirits, wine, dine, bars and similar life quality industries within the private sector.

## Professional experiences and education

2000-2009 -Studies up to YH/vocational level and additional self-studies and corporate training based on this level of education

2006-present -The total certificate of my CV, portfolio and experience matches a high level of education as real competence. Industry specialization and corporate specialization.

2006-2017 -Various jobs within sales with excellent results

2009-present -Self-employment as a freelancing consultant with my own brands 2009-present

2018-2019 -Work as a bartender with various venues

2021-present -Work within advanced E-commerce and order handling
